

Organisations supporting Wales' First Philanthropy Week

The Community Foundation in Wales
Y Sefydliad Cymunedol Yng Nghymru

We're particularly pleased with the warm feedback and interest shown by so many businesses and organisations in the concept of a Welsh Philanthropy Week. This has proven to us, and all of those working in the sector, that there is a real interest and appetite for a national week celebrating and learning about philanthropy in Wales. We're proud that the following organisations have agreed to partner with us, to support our events or to provide knowledgeable speakers and expertise to underpin our Philanthropy Week.
